“Our tournament and NCH Healthcare System share a commitment to making our community a better place to live, work and play,” said Tournament Director Lesley Baker. “We’re excited to have some fun with this competition against tournament patrons, tournament volunteers, the employees of TwinEagles and NCH Healthcare System and of course the Champions Tour pros and caddies. I feel pretty confident that the Tournament Staff will shatter records and win, but the biggest winner will be our donation to the NCH Healthcare System that works to improve the facilities and services that help the people of Southwest Florida every day.”
